ELF party raises \$20,000 toward goal

Thursday, 18 March 2010 13:22

The Easton Learning Foundation (ELF) fifth anniversary party March 13 raised about \$20,000 for the Engineering and Innovation Lab program at Helen Keller Middle School.

ELF now has raised \$83,000 since last fall toward its goal of \$115,000, leaving \$32,000 more to go. The lab is a program that will stress science, technology, engineering and math.

The anniversary party included an auction that was open to online bidders in advance.

ELF provides grants to the Easton public schools for programs that are not covered by the school budget. Donations can be made at eastonlearningfoundation.org.
