

“Today, U.S. students rank 25th out of the 29 developed nations for preparedness in math and science.”

Want your child exposed to more STEM* learning in school ?

*Science, Technology, Engineering & Math

Our administrators do.

They've asked ELF for help.

Grant Request from HKMS Principal and Asst. Principal:

- ◆ \$115,000 needed to fund a “Project Lead the Way” pre-engineering program for all middle school students for 5 years at HKMS. This grant benefits all current 1st-7th graders.
- ◆ These funds are needed by May 1, 2010 to make this program happen by Sept. 1, 2010.
- ◆ 52 donors have already donated over \$30,000 since 9/9/09! Thank you! It's not too late to donate! To donate or to get more information go to: www.eastonlearningfoundation.org
- ◆ Coming soon: ELF update & the “ELF Annual Donor Report”
